Illustration of a woman with grey hair. Below her is a vertical orange bar with a series of numbers and signs:

1 + 1 + 1 + 2 + 2 + 2 + 3 + 3 +

Illustration of a woman with a graduation cap. Below her is a yellow grid with icons of a building and a star. The grid shows 3 rows of 3 icons each, with a multiplication sign (x) between the first two rows. To the right are two boxes containing 2 icons each, with a plus sign (+) above and a minus sign (-) below. A larger empty box with a plus sign (+) is at the bottom right.

Illustration of a man in a suit and hat. Below him is a purple grid with icons of a man in a suit and a bus. The grid shows 4 rows of 3 icons each. To the right are three boxes containing 2, 4, and 6 icons respectively, with plus signs (+) above each. A larger empty box with a plus sign (+) is at the bottom right.

Illustration of a woman with sunglasses. Below her is a light blue grid with icons of a man with sunglasses and a bus. The grid shows 3 rows of 4 icons each. To the right are three boxes containing 2, 5, and 9 icons respectively, with plus signs (+) above each. A larger empty box with a plus sign (+) is at the bottom right.

Illustration of a calculator. Below it is a grey box with a plus sign (+) above a box containing the number 1, and a minus sign (-) below a box containing the number 2. A larger empty box with a plus sign (+) is at the bottom right.

Illustration of a calculator. Below it is a grey box with a checkmark (✓) above a box containing the number 10, and a multiplication sign (x) to the left of a box containing the number 0. A larger empty box with a plus sign (+) is at the bottom right.

A horizontal sequence of 12 bus icons, each with a red box containing '-1' above it. The sequence is followed by an equals sign (=) and a red box containing a minus sign (-).

A green box containing an equals sign (=) above an empty white box.
